MUNICIPAL AND COUNTY GOVERNMENT EMPLOYEES
ORGANIZATION (MCGEO)**

2022 SICK LEAVE BANK POLICY

The MCG/MCGEO Sick Leave Bank (SLB) is a cooperative effort of the UFCW Local 1994, Municipal and County Government Employees Organization (MCGEO) and the Montgomery County Government (MCG). The SLB is designed to assure that those employees in most need during a sustained period of incapacitating illness or disability will have paid leave available after those employees have exhausted all other paid leave available to them and are expected to return to work status.

This policy is effective the beginning of each leave year. While this Policy is in effect, the Sick Leave Donor Program, as contained in Article 15.7 of the MCG/MCGEO Agreement, will not be in effect.

The SLB is overseen by the MCG/MCGEO Joint Sick Leave Bank Committee (Committee). The Committee consists of three MCG representatives and three MCGEO representatives. The SLB resources come from initial and continuing contributions of individual employee's sick leave.

To join the SLB employees need to do nothing. Members will automatically be enrolled in the SLB at the beginning of each leave year unless they opt out during the SLB opt out period. The SLB opt out period for the 2022 leave year will be **December 3, 2021 to January 3, 2022**.

Requests for sick leave are sent to the Office of Human Resources (OHR) Occupational Medical Services (OMS) SLB Administrator. In accordance with this Policy and Procedures, the SLB Administrator reviews applications for sick leave and determines whether SLB shall be granted to the employee, and, if so, how much leave. The SLB process is intended to give fair consideration to each request; however, the burden of complying with the SLB's procedures and providing sufficient medical documentation resides entirely with the SLB member.

Denials of requests for sick leave by the SLB Administrator may be appealed to the Joint SLB Committee in accordance with Section V.B. of the Procedures. All SLB Committee decisions are final and are not subject to appeal or any grievance procedure.

Employees must repay granted SLB leave to the SLB when the employee has not used all or part of the leave that was allocated to the employee.

SICK LEAVE BANK (SLB)

PROCEDURES

I. General Provisions

- A. The intent of the SLB is to provide continued salary to FMLA eligible members who have a qualifying illness that is incapacitating to the point where one cannot perform his/her work duties during regularly scheduled workdays. The FMLA eligibility requirement will not apply for those members who would not have worked the required number of hours to be eligible for FMLA where their FMLA was exhausted in the previous year and or newly merit status members. If the Employee Medical Examiner (EME) determines that employee is able to work in a light duty capacity, the employee must be available to work such an assignment when one is available.
- B. Members' contributions of sick leave become the property of the SLB. A contribution made in error will be returned to the member.
- C. A SLB member must exhaust all sick, annual and compensatory (comp) time in order to access the SLB. However, if FMLA applies, then comp leave does not have to be exhausted.
- D. SLB use is only for an employee's own qualifying illness or that of the employee's spouse, *domestic partner, child, or parent.
- E. It is the responsibility of the Member to be aware of these Procedures. Ignorance of the Procedures is not acceptable as the basis for any appeals.
- F. It is the responsibility of the member to provide sufficient and acceptable documentation to the SLB Administrator and, as necessary, the Committee.
- G. All SLB-related forms are available at:
<http://www.montgomerycountymd.gov/HR/OccupationalMedicalServices/MedicalLeave.html#1>.
- H. A member who is on SLB leave continues to earn leave during the period of absence at the same rate as if the member were not using SLB leave. Earned leave will be used each pay period as the member must maintain a zero balance of sick, annual, and comp leave.

II. Definitions

- A. Sick Leave Bank (“SLB”) - The MCG/MCGEO Sick Leave Bank.
- B. The County or MCG - Montgomery County Government.
- C. SLB Administrator – The County-assigned person who is responsible for the initial review of an employee’s request for SLB leave and who makes the initial determination whether the request will be approved or denied.
- D. Member - A MCGEO bargaining unit employee who has qualified to be a participant in the SLB Bank by contributing to the SLB and remaining in good standing in accordance with these Procedures.
- E. SLB Leave - Leave contained in the MCG/MCGEO Sick Leave Bank.
- F. SLB Committee - The Joint MCG/MCGEO Sick Leave Bank Committee that oversees and governs the SLB Bank.
- G. Opt Out Period – The only period, other than when an employee obtains merit status, during which an employee may opt out of the SLB.

III. Enrollment Process and Contributions

- A. To be eligible to participate in the SLB, an employee must be a member of the MCGEO bargaining unit. New employees become eligible for the SLB upon achieving merit status.
- B. The initial leave contribution required for an employee to the SLB is ten (10) hours. This contribution may only be sick leave hours.
- C. Each year the opt out period for the SLB shall be mid-November to mid-December or within thirty (30) calendar days of achieving merit status.
- D. In order to stay in good standing in the SLB, an employee must contribute ten (10) hours of sick leave at the beginning of each leave year.
- E. Part-time employees are eligible to participate in the SLB at a pro-rated contribution rate based on their budgeted hours worked.

IV. Requesting SLB Leave

- A. Requests for SLB leave must be submitted to the OHR OMS SLB Administrator who will make the initial determination on the request. The Employee Medical Examiner (EME) will be consulted as needed. The EME may refer an employee to another health care provider for an independent medical evaluation as necessary. A denial of a request may be appealed in accordance with Section V.B.

- B. Members must exhaust all annual, sick, personal, and compensatory leave in order to access the SLB leave. However, SLB hours can be used prior to exhausting compensatory time when FMLA is being used. Once the member exhausts his/her FMLA leave, the compensatory time must be exhausted before additional hours may be available from the SLB. Requests submitted prior to a member exhausting all above leave will be processed the pay period before the SLB leave is needed.
- C. To receive sick leave from the SLB the member is responsible for obtaining and submitting a completed SLB Request and Medical Certification. The anticipated date of the member's return to work must be a specific date. The SLB request will be denied if anything other than a date is used. For example, "unknown", "indefinite", "unable to determine", and other similar statements will cause the request to be denied. The SLB Request Form and the Medical Certification forms can be found at:
<http://www.montgomerycountymd.gov/HR/OccupationalMedicalServices/MedicalLeave.html#1>.
- D. A member may request SLB for personal qualifying illness or if the member is the primary caretaker for the member's spouse, *domestic partner, child, or parents who has a qualifying health condition.
- E. Additional documentation and/or medical consultation with the members Healthcare Provider (HCP) may be required by the OHR Sick Leave Bank Administrator or Employee Medical Examiner (EME) at any time while the member is using Sick Leave Bank hours.
- F. If an extension of the members original request is needed, additional documentation is required from the members healthcare provider. This must include a medical narrative as to the reason for the extension and an updated return date.
- G. A qualifying illness must result in an employee being unable to work for more than seven (7) consecutive calendar days in order for the absence to be covered by the SLB.
- H. The maximum SLB leave that may be provided per leave year to a member is sixteen (16) weeks (or 640 hours based upon a 40-hour workweek). The maximum SLB that may be provided for a member to care for a member's spouse, *domestic partner, child, or parent is 120 hours. The SLB Committee may, in extenuating circumstances, grant additional SLB hours beyond the stated limits, but not to exceed an additional 160 hours for the members own medical condition and 80 hours for a qualifying family member listed in **I.D.** of this policy.
- I. SLB leave shall be granted and used only in whole hours.
- J. Any SLB leave that is granted to the member that is more than the actual leave used by the member shall be returned to the SLB.
- K. Requests for SLB leave involving surgery or procedures that are cosmetic shall not be granted. Reconstructive surgery will be considered.

- L. A member requesting Sick Leave Bank days for mental/emotional disability must be under the care of a licensed psychiatrist or psychologist and involved in an active treatment plan.
- M. A member may use up to 120 SLB hours to bond with or care for the member's newborn child, newly adopted child, or newly placed foster child. SLB hours cannot be used to exceed the 18-week limit of Parental Leave. If both parents are MCGEO SLB members, a maximum of 120 hours will be allotted between the two members. SLB Requests for this type of leave will be processed when the baby is born, the child has been adopted or foster child is placed.
- N. The SLB is intended for use by employees who are expected to return to work. SLB hours cannot be used after the employee's doctor and or the County's EME determine that the employee is unable to return to work status at the County in their current occupation or any occupation.
- O. SLB members may utilize SLB intermittently for medically necessary follow-up doctor's appointment resulting from a verified illness or disability. SLB members who wish to utilize intermittent SLB hours due to a qualifying medical condition must:
 1. Meet the seven (7) consecutive calendar days absence away from work requirement in **IV. F.** of this policy.
 2. Exhaust all annual, sick, and comp leave (if FMLA applies, then comp leave does not have to be exhausted).
 3. Have prior approved SLB hours in a block of hours for the same medical condition.
 4. Submit medical certification that specifies the frequency, duration, and use of the intermittent SLB hours.
- P. Intermittent SLB hours cannot be utilized for routine doctor's visits or follow-up appointments that are not directly related to the medical condition identified in the initial SLB Request Form and Medical Certification.
- Q. Members may not use SLB while they are earning or receiving income from secondary employment. Members also may not draw on the Sick Leave Bank while also receiving income from Worker's Compensation and/or an employer sponsored disability insurance plan.
- R. If at any time a member is found to have violated any of the requirements for membership or misused or misrepresented information to obtain SLB hours, the employee's membership will be revoked and the employee will be required to compensate the SLB for time used.
- S. Requests for sick leave bank must be submitted no later than 30-days after start date of the need for SLB hours. Requests received later 30-days where no extraordinary circumstances are found will not be eligible.

V. Administration of the SLB

- B. The Committee reserves the right to review and act upon all requests pertaining to the SLB. Denials of requests for SLB leave may be appealed by the member to the Committee using the SLB Appeal Form. The SLB Procedures provides that the joint SLB Committee reserves the right to review and act upon all requests pertaining to the SLB. The following are the appeal procedures:

 3. Print the form and complete it in its entirety. The form requires the member to write a brief statement explaining the reasons why this appeal should be approved.
 4. An incomplete form will be returned to the member and will cause a delay in processing the appeal. The SLB Committee may request additional clarifying information from either the member or OMS. The SLB Committee may extend the time for the member to resubmit a completed form up to seven (7) additional calendar days from the date received.
 5. The member should include supporting medical documentation with the appeal form.
 6. The appeal form and any supporting documentation must be sent to:

Members with less than 6 months service will not be included in the 2nd assessment when applicable. Part-time employees will be assessed at prorated rate based on their budgeted hours worked.
- D. In the event the SLB balance has a surplus of hours at the end of each leave year, the balance will carry over to the following leave year.
